

UNICOM INDUSTRY

Connection System

for PEXa / PEXb / PE-RT/ PEX-AL-PEX pipes.

Fluent Connection

Intelligent Control

Unicom Industry Co. Ltd. is a plumbing manufacturer and specialized in supplying various fittings and valves in fluid industry, which has two factories in China.

One of our workshops seated in Yu-Huan County, which is famous as “the brass valves/ fittings capital of China” all over the world. It is specialized in manufacturing push-fit fitting, Press PEX fittings, Expansion PEX fittings, and various valves, Our products comply with European or American standard, such as EN1254, ASSE1061, ASTM F2159, ASTM F1960, ASTM F2080, and ASTM F1974. And P E X fittings and Push-fit fittings could be made out of brass or PPSU materials.

The other factory is located in Beijing, China. It is specialized in various valves, such as TRVs, TMVs, Pressure Balance valves, PICVs, with production experience of more than 30 years. Germany technology and quality with reasonable cost in China.

During the decade years, we devote to improving the quality and management. We are proud that our quality is well recognized by domestic and overseas customers.

Our custom manufacturing service can make fittings according to your exact specifications.

Product Overview

Material

Brass body manufactured from
CW617N brass to EN ISO 21003
EPDM O-rings
304 Stainless Steel sleeves

Suitable for use with the following pipes:

Aluminum plastic composite /
PE-X / PE-RT / PB/ Steel plastic composite

Max Operating Pressure: 10 bar

Max Operating Temperature: 95°C

**Max Peak Temperature (at 1 hour):
110°C**

Application class: 2/6 bar, class 5/6 bar

Available in sizes 16mm, 20mm, 26mm & 32mm
